

Nisha.D

B.sc computer science

Profile:

I'm Nisha, currently pursuing my Bachelor of Science in Computer Science (BSc CS). I have a deep interest in technology, programming, and software development. I am passionate about learning new programming languages, solving complex problems, and exploring innovative solutions in the world of computing.

As I continue my academic journey, I am gaining hands-on experience with data structures, algorithms, web development, and machine learning, with the goal of becoming a skilled software developer.
